Subject: Application for the Position of Software Tester / QA Automation Tester

Dear Hiring Manager,

I am writing to apply for the position of **Software Tester / QA Automation Tester** at **TechZiant**. I have completed my BCA and have a strong interest in **Software Testing, Quality Assurance, and Test Automation.**

I have developed knowledge of Manual Testing concepts, test case design, test execution, defect reporting, and functional and regression testing. I also have knowledge of Automation Testing using Core Java, Selenium WebDriver, JUnit 5, and TestNG, and I am continuously improving my practical automation testing skills.

I am a quick learner, responsible, and eager to learn new technologies according to the requirements of the organization. I would appreciate the opportunity to contribute my testing knowledge, identify software defects, and grow professionally with your team.

I have attached my resume for your consideration. Thank you for your time and consideration.

Sincerely,
Kirti Dobariya
